DR. HUNTER B. BLAKELY

President

GREETINGS FROM THE PRESIDENT OF THE COLLEGE

Queens College welcomes you to her campus in September, 1947.

With the world in the process of re-organization, it is a privilege to go to college today. The world is not finished; it is just begun. There are more great deeds to be done in the world than ever before in history.

There are three characteristics that will determine future leaders. First, one must acquire ability to think. We master tools of thought by study and practice. Those who will lead the future will be the ones who have equipped themselves for constructive thinking and planning. Secondly, the future world will be molded by those who have character. A Christian college is an ideal place to develop strength of character which every person needs to face the future. Our hope is that every Queens girl will build into her soul integrity, loyalty to the highest, and a vision of beauty, truth, and goodness, enabling her to be her best. Thirdly, the future needs men and women of faith in God and man, leaders who believe that our universe is not one of chaos but of divine purpose. They will consecrate themselves to build according to God's plan a better world of righteousness, justice, truth, and peace.

We welcome you into the spirit of our fellowship.

HUNTER B. BLAKELY, *President*

J. M. GODARD
Dean of the College

GREETINGS FROM THE DEAN OF THE COLLEGE

The attitude of a college towards its students is considerably different from that of a high school. You who are coming to Queens will find that a great deal depends upon what you, yourself, decide to do with your opportunity for an education. We who teach you wish to be of the greatest possible service, but we will not check in any detailed way on whether or not you are using the service which is here for you. We believe that most of you will want to make your years in college count for a great deal in increasing your understanding of the world in which you live.

Our world is a very complicated one. There is no course that you could take in college that will not in some way contribute to your ability to live understandingly and efficiently. You should study the College Catalogue carefully to find those courses which we offer which will make the greatest contribution to your thinking.

I hope that all of you will feel free to call upon the administration and the faculty for any advice or suggestions which we may give at any time.

J. M. GODARD
Dean of the College

Miss Thelma Albright
Dean of Students

GREETINGS FROM THE DEAN OF STUDENTS

It is a pleasure for me to welcome you to Queens College. Here you will find new friends and a program of daily living which will give you added responsibilities. You will discover a friendly spirit; you will be aware almost immediately of an informal atmosphere which encourages newcomers; but you will find also that many decisions will be yours to make. Our part in the office of the Dean of Students is to aid you in making the decisions and adjustments which may contribute specifically to your academic and spiritual growth.

Queens is a college widely known for its splendid traditions and Christian spirit. Here we want you to live a full, wholesome life, one which will develop every phase of worthwhile human relationship.

We shall be glad to talk with you at any time, and we want you to feel free to come to the office for help which we may be able to give or just to "talk things over."

THELMA ALBRIGHT
Dean of Students

FACULTY REGULATIONS

A. Attendance Upon Class and College Exercises

1. Absences are recorded from the first day upon which classes meet. Students who register late incur class cuts from the first day of class meetings.

2. Absences from classes 48 hours immediately preceding or immediately following a holiday or vacation shall be recorded as triple absences.

3. For students who maintain a B average or above for the previous semester there shall be 6 absences each semester for a three-hour course, 4 for a two-hour course, 2 for a one-hour course. For students who maintain a C average the previous semester there shall be 4 absences for a three-hour course, 3 for a two-hour course, 2 for a one-hour course. For students who maintain a D average for the previous semester there shall be 3 absences for a three-hour course, 2 for a two-hour course, 1 for a one-hour course. For students who have been reported as failing in any subject, there will be no cuts permitted in that particular course. *For penalty regarding illegal cuts, see section 5. Faculty members are requested to report such absences immediately to the offices of the Dean of Students and the Dean of the College.*

During the first semester incoming freshmen shall be allotted absences on the same basis as students with a C average unless they are reported as failing in some subject; in this case they shall be classified as for absences of students with a D average.

No student will be penalized for excess absences due to prolonged illness. Such excuses must be acceptable to the committee on absences. No further absences from any class will be permitted during the semester.

4. Week-ends will be granted to students on the basis of the quality of work done. Those on the Dean's List will be granted unlimited week-ends.

a. Juniors and Seniors with a B or C average will be granted their regular class privileges — Seniors, three week-ends a month; and Juniors, two week-ends a month.
b. Seniors who maintain a D average will be allowed only two week-ends a month. Juniors who maintain a D average will be allowed only one week-end a month.
c. Sophomores who maintain an average of B or C will get their regular class privileges—two week-ends a month.
d. Sophomores who have only a D average will have only one week-end a month.
e. Freshmen who get a B average the first semester will receive two week-ends per month the second semester. An average of C or D will give the regular allowance of one week-end a month after the first six weeks.
f. No week-ends will be permitted which would necessitate the student's cutting a course which she is failing. *Each student is responsible for knowing her class standing before she signs for a week-end.*

5. Absences in excess of this number will result in the loss of quality points as follows: *First excess cut*: loss of one quality point. *Second excess cut*: loss of two additional quality points. *Third excess cut*: loss of three additional quality points. *Fourth excess cut*: loss of three additional quality points. *Fifth excess cut*: partial loss of course credit. Since 126 quality points are required for graduation, excess absences should be avoided. Students should be careful to save these absences for unavoidable occasions, such as illness or other emergencies. *Students who deliberately and frequently absent themselves from class and chapel after the allotted number of cuts has been taken or whose work is unsatisfactory are subject to probation and subsequent expulsion. Faculty members are requested to report over cuts at once.*

6. Students are allowed the privilege of re-examinations only in case of serious emergency. Permission must come from the Office of Dean of Students or Dean of the College.

7. Three tardies are recorded as an absence.

8. Laboratories: No cuts are allowed in laboratory sections. Absences caused by serious illness must be made up immediately. One shift may be permitted, provided it is made up within the week of the exchange.

9. The absence committee of the faculty will interpret all exceptions to violations of the absence regulations.

10. Dean's List: A Dean's List of unusually superior students will be announced each semester. These students are not subject to the attendance regulations; however, if any students are reported as abusing the privileges granted them, the faculty committee on absences may remove their names from the list.

11. Chapel Attendance:

a. Chapel attendance is regarded as having the same importance as class attendance. All students are expected to attend chapel.

b. Each student shall be allowed a maximum of seven chapel absences per semester. All students are expected to attend Chapel on *Tuesdays, Wednesdays, and Fridays;* freshmen also attend Monday and Thursday chapels. Transfers attend Monday and Thursday chapel for the first four weeks.

12. Faculty members should announce major tests a week in advance. Permission to make up tests must be received from the office of either dean and will be scheduled on a stated Saturday.

13. Students who represent the college in any capacity must be approved by the Advisory Committee.

B. Quality Point System.

1. For graduation one must have 126 semester hours and 126 quality points. Three quality points are awarded for every semester hour of "A Grade";

two quality points for each hour of "B Grade"; one quality point for each hour of "C Grade"; no quality points for each hour of "D Grade"; one quality point is subtracted for each semester hour of failure.

2. For Sophomore Class standing a student must have 24 semester hours and 18 quality points; for Junior Class standing a student must have 54 semester hours and 48 quality points; for Senior Class standing a student must have 90 semester hours and 84 quality points.

C. Grading System.

1. *A—Exceptional student*: She has mastered the subject matter, thought it through, seen its relation and meaning as part of an organized whole. Her work shows that she is capable of research in this field. Carries 3 quality points per semester hour.

2. *B—Good student*: She has a more thorough grasp of the subject than the C student. She can either reproduce the materials of the course accurately or reproduce them with a high degree of thoroughness and understanding. Carries 2 quality points per semester hour.

3. *C—Average student*: She understands the minimum essentials of the course well enough to reproduce them upon request. Carries 1 quality point per semester hour.

4. *D—Poor student*: She is below average in the

comprehension and understanding of the minimum essentials of the course, but is not so poor as to merit a grade of failure. Carries no quality points per semester hour.

5. *F—Failing student*: She has failed either through lack of ability or lack of effort, or both, to justify college credit for the work done in the course. Carries -1 quality point per semester hour.

6. *E—Conditioned student*: She has failed by a narrow margin, but with the possibility of making a *D* after a few weeks of thorough review.

7. *I—Incomplete work of a student*: She has been delayed in completing some part of the required work of the course. When this is completed, she may receive any grade from *A* to *F*.

D. Final interpretation of and action upon any of the above is the responsibility of the Advisory Committee of the Faculty or the Academic Council.

E. *Eligibility to return*: Any student who fails to pass 18 semester hours of work during a school year and to achieve an average of at least .5 quality points per semester hour is automatically excluded from readmission to the college.

KNOW YOUR HANDBOOK

GENERAL INFORMATION

I. Adjustments to be Made in Rooms

If light fixture changes, new bulbs, cord for pictures, or bathroom repairs are needed, write your request on a slip of paper, giving room number, specific information, and name of student. File this information in the Business Office where the maintenance engineer will collect all requests and attend to them in the order in which they were filed.

II. Electrical Equipment

Arrangement must be made with the Business Office before any electrical equipment can be used in rooms. Each room is allowed 150 watts of current and is checked regularly by the electrician for this amount. Radios are to be connected by the maintenance engineer upon request through the Business Office. Charges for using radios for the year are four dollars ($4.00); two dollars ($2.00) per semester. See *Dormitory Regulations for Upper Classmen* regarding playing radios or record machines.

III. College Property

Queens does not (as do most colleges) collect a regular breakage fee. If, through some accident, students damage or break college property, they will naturally wish to help defray the expense of repairing. Damage to walls, windows and furniture, through the use of tacks, by penciling, or by any un-

necessary use will be estimated and charged to the student. They are requested *not* to move furniture from one room to another.

College equipment is not to be used by students for any purpose. Dining room equipment and supplies cannot be borrowed for special occasions.

IV. Care of Rooms

Students are expected to keep their own room in order. Maids will clean the baths thoroughly twice a week. Rooms should be in condition by 9:00 each morning and will be inspected daily.

V. Laundry

All laundry is taken to the laundry room where it is picked up. Students may call for it only during laundry hours at which time they pay the girl in charge.

VI. Telephones and Telegrams

Students use pay telephones in dormitories for *any off-campus* calls. Local telephones may be used for incoming calls to students. To send a telegram, come to the Dean's Office and get a blank. Terms cash. The one on duty will call the message. *Do not use telephone in Dean's office.*

Dormitory telephone numbers: Long—9560; Watkins—9539; Morrison—9481; Frazer—4-3117; Carson—4-2882.

VII. Trunks

Trunks must be stored by Monday, September

22nd. No trunks will be allowed to remain in the dormitories after that time, and if removal has to be made after the 22nd there will be a charge.

VIII. Announcements and General Information

No announcements are made in the dining room, but are placed on bulletin boards in Burwell Hall, Science Building, "Y" store, and just outside the dining room door. If students have an important announcement, they should place it on the bulletin board, writing it or typing it neatly; place it under the proper heading, then take it down after it is out of date. Use the *large* bulletin board in Burwell Hall.

IX. In Case of Sickness

See Infirmary. Go immediately to the House President. Also see note regarding health in catalogue.

X. Hours in Dean's Office

If there is any problem which needs immediate attention, make an appointment to see the Dean or her assistant in the Office of the Dean of Students.

XI. Special Permissions

Special permissions are given in the Dean's Office only and during office hours. The office will be open in the evening; you are urged, however, to attend to all special permissions by noon. *The Hostess in charge during the evening will give special permissions only in case of emergency.* Stand-

ing permission blanks will be mailed to parents for their signature. No permissions are granted until blanks are properly filled in and signed, and in the office of the Dean of Students.

XII. About Rooms

Each student provides her own bed linen, blankets, towels, etc. She is encouraged to express her own personality and individuality in selecting rugs, curtains, dresser scarfs, pictures, seat-covers, and other furnishings. The approximate dimensions for dormitory windows, window seats, and closets are as follows:

Window length:----------72″ by 40″
Window seat:----------78″ by 26″
Closet door:----------80″ by 30″

(Students usually have padding on window seats or have mattresses made for them.)

XIII. Classes Mondays and Saturdays

Classes on Mondays start at 8:30. There is no chapel period on Saturdays. Classes are over at 12:15 on Saturdays.

XIV. Salesmen on Campus

No person on or off campus shall sell or advertise for sale any merchandise on the campus without approval of college administration. Students are asked to report presence of any unauthorized persons on the campus in any capacity.

STUDENT ACTIVITY FEE

Beginning with the session 1947-48, the College has arranged to collect the Student Activity Fee for distribution among the organizations. It is included under the general college fees, $15.00 being the amount allocated for this purpose. This fee is required of all except special students, with whom it is optional. In the case of sisters, the combined fee is $25.00. In this case only one annual is issued.

A student budget has been arranged to cover most of the organizations or activities that concern the campus as a whole. Included in the above fee for a part of their support are the following: Legislature, Student Christian Association, Athletic Association, *Coronet* (annual), *Queens Blues*, (newspaper, Quill, Lecture and Concert Series, Boarding Student Association, Day Student Association, Junior Class, and Sophomore Council.

Class Dues—Collected by Class Treasurer.

POST OFFICE

The post office is under college supervision and not government supervision. It handles all incoming mail, except special delivery mail, all outgoing packages as well as insurance of packages and registry of first class mail. It does not handle money orders or outgoing C. O. D. mail.

Students are assigned post office boxes at the beginning of the school year with no charge. Day Students receive mail which is mailed to the College in a box provided in the Post Office.

Since the post office is small it is necessary for the students during the crowded hours to transact their business in an orderly manner and with dispatch.

BOOK STORE

At the Book Store students may purchase their textbooks, school supplies, stationery, etc. It is operated by the College for the convenience and economy of the student. Books and supplies are sold at a minimum profit. For this reason all business is done on a cash basis.

The College offers service to students and faculty in the capacity of a college bank.

DINING ROOM REGULATIONS

1. Because of the rising costs of food and labor, it is impossible to quote individual meal prices at this time. Students who wish to have guests must register them in the guest book in the Dean's Office and must purchase individual meal tickets. These tickets are on sale in the Business Office during the office hours and can be secured at the Dean's Office at other hours. The dietitian must be notified beforehand when guests are to be entertained.

2. Students and faculty are most earnestly requested to conserve food.

   Students may assist by (a) taking only the amount of food they really want, thus avoid-

ing leaving any waste on their plates; (b) *signing the meal book when they plan to eat off the campus.*

3. Students and Faculty are requested not to carry any food out of the dining room, except on *Saturday at noon, 12:15.* At this meal fruit and candy are usually served. No other food is to be carried away at any time.

4. If it is necessary for any faculty member or student to miss a meal, he (she) is not entitled to have a guest free of charge at the next meal.

5. If a student is too ill to go to the dining hall, she should go to the Infirmary. *No meals will be served at any other place out of the dining hall except in the Infirmary.*

6. No announcements are made in the dining hall except in case of emergency, then see the Dean of Students.

7. The dining room doors will be closed ten minutes after the bell rings. Students will remain at their evening meal at least until 6:30.

8. Any student improperly dressed will be asked by the Hostess to leave the dining hall. Kerchiefs are not approved for lunch and dinner except in case of inclement weather. Students wear short afternoon dresses on Friday evenings, and after dinner coffee is served in the

parlors of Burwell Hall by Pan-Hellenic Council. Formal dress is required for dinner, before concerts, lectures, receptions, etc.

9. Each table stays together until dismissed by the hostess. At formal dinners all tables wait until the guest table leaves. Students stand when guests rise to leave. Girls are expected to freshen up for dinner and *observe the rules of correct form and good taste when coming to meals.* Students also remain standing until guests are seated.

10. Save all singing for Sunday nights at The Hut. On certain other special occasions to be announced, the entire student body will sing, but this shall be only at stated times.

11. Queens College traditions encourage informality and friendliness, keeping in mind those things which make for the greatest happiness and well-being for the greatest number. This demands cheerfulness, consideration, and thoughtfulness of others, especially at meal time.

Classes and Traditions

TRADITIONS

BOAR'S HEAD DINNER

In keeping with the English tradition which forms such an important part in the background of Queens College, Charlotte, the annual Boar's Head Dinner, a part of the tradition of Queens College, Oxford, has become one of our most cherished events. This dinner is the last formal event before the departure for the Christmas holidays. The servants' Christmas tree is held in the main hall after dinner.

CHRISTMAS CAROL SERVICE

On the night before the Christmas holidays begin, a special music program is planned by S. C. A. A cross of candles is formed on the front steps of Burwell Hall, and the student body sings Christmas carols. Refreshments are then served at the Hut.

CHRISTMAS VESPERS

An inspirational Christmas program is given the Sunday before the holidays at the regular Vesper hour. The program is planned by the S. C. A. in collaboration with the music department and the dramatics department.

FOUNDERS' DAY

January 15 is celebrated as Founders' Day. On this day the schedule is planned so that classes are over by noon. The Alumnae Association and the administration of the college present a program in keeping with the event. All alumnae are entertained at a luncheon on this day.

INSTALLATION

The president of student government plans a day in the spring when the five student body officers are officially installed in a special chapel program. At this time the outgoing student body officers exchange their robes with the incoming officers. Student government invites a guest speaker of popular choice who gives the speech of the day. Day students have lunch in the dining room as guests of the college.

SORORITY SING

The Junior Class sponsors a Sorority Sing each year in which the five national sororities and Alpha Eta Sigma compete. A cup is awarded to the winner. The Dean of Students gives a prize for the best school song submitted at this time.

COLLEGE RECEPTION

On the first Friday or Saturday evening of every school year, there is a formal reception in Burwell Hall. At this time new students meet the faculty and administration. All Student Counselors escort their Counselees to this reception.

SENIOR RECOGNITION DAY

At the first Tuesday chapel of each year special honor is paid to seniors. They are officially recognized by the administration, faculty, and students. The president of the senior class plans a special program and presides. The faculty and seniors wear academic gowns and have the first formal academic procession of the year.

RAT DAY

About a month after school opens, all freshmen are subject to the sophomores' reign for one day. A chairman for Rat Day is elected from the Sophomore Class, and she and her committee plan the day. On this day the following action is taken:

1. Any request made by the sophomores during the day must be strictly obeyed by the freshmen.

2. Sophomore Rat Court will hold session for one hour at which time erring freshmen shall entertain the court.

STUNT NIGHT

The annual inter-class stunt night is held the last Tuesday night before the Thanksgiving Holidays.

1. Each class elects by popular vote a stunt chairman and a gallery chairman.

2. After the stunt has been selected, it must be submitted to the Director of Physical Education for approval. The first chairman to submit a theme has first choice for place on the program.

3. The expenses for each stunt must not exceed $5.00 which is allotted by individual classes.

4. Order and entrances of stunts shall be: freshmen, sophomores, juniors and seniors. The freshman gallery shall consist of the back of the middle section of the auditorium; sophomores and seniors have their regular sections; the juniors are entitled to the first five rows of the middle section. There are to be no decorations on the edge of the stage because of interference with other stunts.

5. The judges of the stunts are to consist of people from town chosen by Athletic Council. The stage stunt and the gallery are to be judged on the basis of 50 per cent each.

6. The class winning first place is awarded a loving cup.

SENIOR WEEK

Each year, about six weeks before the end of the college year, Senior Week is observed as a time when seniors receive special recognition. During this week seniors try to be together as a class as much as possible and exchange plans for the future. The week is opened by a formal dinner, at which time the class will, history, and prophecy are read. Traditional entertainment has included a luncheon given by the wife of the President, a tea given by the Dean of Students, the class sponsor, and the Dietitian, a breakfast given by the "little sister" class, a class picnic, and a banquet given by the juniors. On Wednesday of Senior Week presents are given to the outgoing student body officers and the seniors march out of chapel. Other classes then move to those sections they shall occupy the following year. On this day seniors are excused from all class work.

MAY DAY

The annual May Day Festival is held the first Friday in May in the amphitheater.

The Queen is chosen by popular vote of the Student Body and has the privilege of choosing the maid-of-honor.

The maids of the court are selected by a committee composed of the Queen, the President of each of the four classes, and representatives from each class which are elected by the respective classes. A selection of thirty-six of the best qualified girls are presented to the Student Body for the election of the required number, twenty-four.

A May Day Chairman is elected each year from the rising Junior or Senior class.

All students of the Physical Education Department either take part in the exercise or work on committees.

Minor expenses are paid by the Athletic Association.

At this time the college is host to the seniors of the city and surrounding high schools.

AWARD DAY

At this time all cups and trophies and honors that have been won by the various organizations on campus throughout the year are presented.

CLASS RECOGNITION DAY

On the afternoon preceding Commencement Exercises, the faculty and students hold their traditional Class Recognition Exercises in the amphitheatre. At this time there is an academic procession, the juniors present the daisy chain, and receive the senior caps and gowns. The seniors present a gift to the College. Salutatorian and Valedictorian addresses are also delivered at this service.

An outstanding part of the exercises is the exchanging of class colors. At Queens College, only

the seniors are privileged to use as class colors light blue and dark blue, the colors of their Alma Mater. Dark blue features in the colors of each class, and each class retains the blue of her Freshman year throughout the four years of college. Rose is traditionally the other color for the Junior Class; white for the Sophomore Class, and yellow for the Freshman Class. These three colors are changed at Class Recognition Exercises, with the seniors passing to the juniors and leaving for the incoming freshmen the same shade of blue—that being the shade that is not a part of the Junior colors—and returning to the College the other blue in the senior colors.

The Senior Class always leaves some gift to the College.

The Junior Class is required to remain on campus during Commencement Week.

PRESIDENT'S RECEPTION

On the last Friday before the end of the school year, the President and his wife entertain at a reception in their home honoring the seniors and their families.

HELPFUL HINTS

1. Remember the first week sets the year's pace. Begin well!
2. A white dress is an essential at college.
3. Standards of good taste suggest that we always wear hats when we go up town.
4. Bring your pillows, sheets, pillow cases, towels, bed spread, sofa pillows (and covers if desired), dresser covers, ornaments, and rug. A cozy room will make the year more pleasant.
5. Being quiet is a personal matter. Do not wait for some one to tell you you are too noisy.
6. We freshen up a bit for dinner. It makes the day end better.
7. Chronic borrowers do not make many friends.
8. Freshmen, let your faculty advisors be your friends.
9. Respect your campus; do not litter it with papers or other trash.
10. We are courteous to all servants.
11. We endeavor to keep our rooms in harmony with an orderly mind.
12. Learn to organize your work so that there will be time for play.
13. Remember that to have friends you must be one.
14. Queens College is looking to you to keep her standards high. Your own good name and that of your college are represented by your actions.
15. Students should bring $25 at the beginning of the year to cover the cost of books.

COLLEGE SONGS

We urge every new girl to learn these songs as soon as possible so she may be able to enter into the "Queens Spirit" as soon as she arrives on the campus.

ALMA MATER

I

Deep within the waving forest,
Far from bustling town,
Stands our noble Alma Mater;
Proudly looks she down.

CHORUS

Sing her praises, lift her chorus
Over hill and dale!
Hail to thee, our Alma Mater!
Hail to Queens, all hail.

II

Deep among the fragrant pine trees
Is our College true;
There our noble Alma Mater
Proudly stands in view.

RADIO HYMN

With reverent love we sing to thee,
Our hearts o'erflow with loyal praise.
Dear Queens thy love shall ever be
Our guard and shield of college days.
Let echoes of thy spirit ring
As through the years thy song we sing.

Thy guiding standards lead us on
To paths of wisdom, faith, and truth
Bequeathed to us by daughters gone,
And giving strength to present youth,
Our glorious hymn of love we raise
To sing our Alma Mater's praise.

QUEENS COLLEGE HYMN

WE WOULD BE BUILDING

We would be building; temples still undone
O'er crumbling walls their crosses scarcely lift;
Waiting till love can raise the broken stone,
And hearts creative bridge the human rift;
We would be building, Master, let Thy plan
Reveal the life that God would give to man.

Teach us to build; upon the solid rock
We set the dream that hardens into deed,
Ribbed with the steel that time and change doth mock,
Th' unfailing purpose of our noblest creed;
Teach us to build; O Master, lend us sight
To see the towers gleaming in the light.

O keep us building, Master; may our hands

Ne'er falter when the dream is in our hearts,
When to our ears there come divine commands
And all the pride of sinful will departs;
We build with Thee; O grant enduring worth
Until the heav'nly Kingdom comes to earth.—AMEN.

DAUGHTERS OF QUEENS

Daughters of dear old Queens College
Where we come to get our knowledge
We'll uphold her standards ever
As we go through life.
Wave her colors ever;
Furl her standards never;
Raise it high and proudly cry,
"We're loyal Queens girls forever"
Dreaming of her glorious campus, comrades,
mem'ries that we find here.
See the flag of our Queens College
Waving o'er us all.
Tune: Men of Harlich.

GREATER QUEENS

Eternal Father, God of Love,
In whom we live and breathe and move,
We're thankful for the gifts you send,
For joys we know each loving friend.
And for our college, Lord, we sing,
Help us to build a greater Queens.

Eternal Father, Guide and Stay
Hath led us in Thy chosen way,

For knowledge, wisdom, thanks we sing,
To the Lord of Lords, the King of Kings.
Help us to build toward higher things;
Grant this our prayer—a greater Queens.
Tune: Navy Hymn.

WE'RE THE GIRLS FROM QUEENS

We're the girls from Queens,
And you know what that means,
That we are the best in the land
Where the friendships are the best by far.
Oh, Q. C., you really are grand.
As the years roll by,
You never will die,
In our hearts and our memory.
Of all the rest Queens is the best,
It's the college for you and me.
We're deep within the waving forest.
It's the college for you and me.
Tune: Grand Old Flag.

FRESHMAN SONG

Lift high a freshman song,
Raise your voice and sing,
Shout our yell with all your might
And make the College rafters ring.

On, freshmen, through the years
On to greater things!
To our class and to the school
Our praises and our loyalty we bring.
Tune: Anchors Aweigh.
